TYLER RHINEHART

FULL STACK WEB DEVELOPER

tyler.rhinehart22@gmail.com
(208) 740-7855

Profile

Full Stack Web Developer that strives for excellence. Dedicated to constant learning and mastery of the craft. Goal driven initiator that always gives maximum effort.

Skills

Front End Development

Skilled in functionality driven, interactive, and responsive design.

Back End Development

Ability to design and create servers that extend and enhance functionality for users and applications.

Teamwork

Proven ability to work within a team and independently to acheive the established goals.

Technical

Javascript	Node.js	jQuery
HTML5	C#	Vue.js
SASS/CSS3	.Net Core	PHP/Laravel

Experience

Port One Five
Junior Developer

March 2018 - August 2018

Built and maintained custom websites using the custom framework LaraPress, which is built with Laravel and Wordpress. Improved skills of source control management, project deployment, development lifecycle, and efficient collaboration with team members.

CodeWorks Boise
Student

July 2017 - October 2017

Gained the knowledge and skills needed to be a proficient full stack web developer. Built several web applications using Javascript, HTML, and CSS and built servers for those applications with Node.js and C#. Worked in groups to accomplish goals and complete projects.

Four Rivers Crossfit
Head Coach

2016 - 2017

As head coach, I was the primary source of instruction and coaching for the members of the gym and ensured that the quality of programming and instruction was as great as possible.

Dutch Bros Coffee
Barista

2015-2016

As a barista, I learned the valuable skills of speed of delivery and quality of deliverables, as well as a customer first approach to business.
